Position Available: Tenure-Track Assistant Professor in Cognitive Psychology, Department of Psychology, North Dakota State University.

The Psychology Department at North Dakota State University is seeking candidates for an open tenure-track position (Assistant Professor) in Cognitive Psychology, with an emphasis on Human Learning in Applied Contexts. We are especially interested in candidates whose research interests include the application of cognitive science methodology to real-world environments for learning and training in human participants. Successful candidates will have a record of research productivity, and experience pursuing and/or obtaining external funding consistent with their career stage. Successful candidates will also be able to contribute to teaching undergraduate and graduate classes in topics including advanced statistical methods, upper-division courses for majors, and specialized seminars relevant to the candidate’s field of expertise. Finally, the successful candidate will be expected to contribute to the college-level research theme focused on STEM Education/Discipline-Based Education Research either through direct research efforts or collaborative interactions with current faculty actively pursuing related lines of research. Candidates must have a PhD at the time of appointment in Cognitive Psychology, Neuroscience, or a related discipline. We anticipate that the appointment will begin in August 2018.

Applicants should provide a cover letter, CV, approximately 1-2 page statements of research and teaching interests, and contact information for 3 individuals who have agreed to provide letters of reference. All application materials must be submitted online at https://jobs.ndsu.edu/postings/8656. Review of applications will begin on November 27th and will continue until the position is filled. Inquiries regarding the position may be sent to Ben Balas, (Benjamin.balas@ndsu.edu). Information about the department can be found at http://www.ndsu.edu/psychology.

North Dakota State University is an Equal Opportunity employer and all qualified applicants will receive consideration for employment without regard to age, color, gender expression/identity, genetic information, marital status, national origin, participation in lawful off-campus activity, physical or mental disability, pregnancy, public assistance status, race, religion, sex, sexual orientation, spousal relationship to current employee, or veteran status, as applicable.
